#### Board Meeting Meets on February 1

The Board of Directors meeting is open to all Club members. At the January Board meeting, the Board decided to continue to meet on the Greensboro College Campus in Room 226 of Proctor Hall West.

#### January Frostbite Series

Hardly frostbite conditions! One competitor described it as possibly the best day of sailing we will have this year. Indeed, what was not to like, temperature in the high 60s and winds 10 knots diminishing to 4.5 knots. Well the wind did shift around throughout the day but, hey, this is Lake Townsend, it is always shifting.

#### Change of Watch Banquet Held!

Thirty-eight members of the yacht club gathered at Mahi's to recognize the accomplishments of the year. The evening began with drinks and a slide show of Club activities and member participation. The late Bill Snider was honored as part of the slide show.

#### Trophies awarded for 2005-2006 Race Series

Trophies for the Lake Townsend Yacht Club 2005-2006 Frostbite Series were presented to John Hemphill, First Place and Steve Morris, Second Place.

For the Lake Townsend Yacht Club 2006 Saturday Summer Series Monohull Fleet trophies were presented to Ken Warren, First Place; John Hemphill, Second Place and David Raper, Third Place.

For the Lake Townsend Yacht Club 2006 Saturday Summer Series Isotope Fleet, trophies were presented to Eric Rasmussen, First Place; and Alan Wolfe and Joleen Rasmussen, Second Place.

For the Lake Townsend Yacht Club 2006 Sunday Summer Series were awarded to Bob Moates, First Place in the Flying Scot Fleet; David Raper, First Place in the Monohull Fleet and Eric Rasmussen, First Place Multihull Fleet.

Congratulations to all the trophy winners and thanks to everyone who participated.

### Three Emeritus Memberships awarded

**Member Emeritus** is granted by the Board of Directors to those who are current members in good standing, have been members in good standing of the corporation for more than ten (10) years, and are seventy (70) years of age or older.

Those at the banquet were asked to recognize the contribution each of these individuals has contributed to the Lake Townsend Yacht Club.

**Carol Moates** has been a member of the Lake Townsend Yacht Club since the inception of the Club. She served on the Board of Directors for more than 20 year, primarily as Board Secretary. She chaired the Annual Banquet Committee and the Mayor's Cup Regatta and taught sailing. Attending over 300 Board meetings during this time would qualify her for sainthood but we are awarding her Member Emeritus.

**Bill Byrd** has been a Club member since the early 1980s. He has been the Club's "Motor Man", rebuilding and repairing committee boat and safety boat motors. He has been a Certified US Sailing Instructor and taught Junior Sailing class. He is the best light wind sailor in the Club and is always willing to instruct fellow Club members in the art of sailing. Many of us search for just the right goose feather to use as a telltale thanks to his instruction.

**Jere Woltz** has been a member of the Club since the early 1980s. Jere was the advisor for the Sea Scout Program in the early 80s. He served on the Board as an officer and was the Commodore in 1992. He also served as treasurer and directory and newsletter editor. He chaired the Mayor's Cup Regatta, served as its Principle Race Officer and been the local expert on sailing instructions. Jere authored the Sailing Instructors Manual. With his encouragement, the

Club has upgraded its race equipment, its fleet of boats and its radios. He built the course board for the committee boat, the flagstaffs, and had a hand in most of the equipment improvement over the past 10 years.

## SAILBOATSFOR SALE!

**1981 Isotope** - \$2500 with sails and a galvanized trailer. Crossbar, dolphin striker, and trampoline have been replaced and an extension added to the righting bar. Good boat for a beginning racer or someone looking to get back into racing. She won the 2005 Governor's Cup and continues to give challenge to the fleet leaders. Eric and I have owned this boat since 1998. She's gotten us hooked on Isotopes, so much so that we are upgrading to a 2006 model.

## Call People. Go Sailing

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. The people listed have taken our Learn to Sail class or have other previous sailing experience and are looking to get more time on the water. So, if you have a boat and would like to participate in the Summer or Frostbite Race Series, why don't you call one of these folks for your crew? Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you would like to add your name to the list, contact John Hemphill, Treasurer or Bill Grossie, Newsletter Committee (See the Help Lines box located in this newsletter).
