LTYC Annual Meeting	5 November 2005	1800-2000	St Francis Episcopal Church Lawndale

An invitation to everyone to join the Pursuit Race on October 22nd, the 2005 Inter-Club Regatta and the Annual Meeting—a covered dish dinner.

We have a new website:

From the Commodore

This past October, LTYC had the pleasure of hosting the Tanzer's State Championship Regatta, and even though the winds were calm, the sailing committee was able to squeeze two races on Saturday for the Tanzers and the rest of the sailors. There was a total of about 20 boats on the lake. LTYC will like to thank the Tanzer fleet for choosing us as their host.

Our annual meeting is Nov 5th at Saint Francis Episcopal Church on Lawndale Ave; I will like to see all the Club's members there. The club needs all of us to be there so that we can continue having the programs that we offer to the community and the club. Remember that you don't have to have a boat to be a sailor, there are plenty of boats out there, and the City of Greensboro does not charge for

taking out boats on the day of the race if you are an LTYC member.

Our new web site is:

Steve Raper did a super job setting this up; thank you, Steve!

Gracias a todos... Rudy Cordon

RC Volunteers Needed

Race committee volunteers needed for Interclub regatta on Lake Townsend on November 5. The club will have the committee boat and two safety boats on the water, so if you like to see top-notch racing up close call Lew Johnson at 656-4971 to volunteer, and no experience is necessary.

SPOOK Race 22 October 2005
NO EXPERTISE REQUIRED

From Junior Sailors to little old ladies and everyone in between, notice is given the SPOOK Race is coming on Saturday, October 22nd. Family members and guest are encouraged to participate. The only rules one needs to know are basic seamanship rules such as starboard tack has right of way over port tack, and how to tell time. This is carefree racing for everyone, regardless of whether you have raced a boat. This event is just as much fun for the day sailor or cruiser as for the avid racer. SPOOK is an acronym for Swift Pursuit Of One-design Kraft, and is a good social event to prepare for Halloween.

Pursuit races are designed to be a carefree, entertaining, stress free way to participate in a race, even if you have never raced before, with your friends and family aboard. The race differs from a standard handicap race in that the race is run for an exact length of time, with the slowest boat starting first followed at intervals by progressively faster boats. The handicap allowance takes place at the start of the race instead of the end of the race. If all boats sail equally well to their handicap, they should all finish at exactly the same time! The first boat across the finish line is the winner.

At Lake Townsend we have two courses which can be sailed, depending upon the sailing conditions. The course lengths are five and nine miles. Once the race is started, it cannot be shortened nor changed.

If you do not have a boat, keep in mind that members can rent the city's sailboats at the marina. If you have a boat with an old, suspect, highly suspect or current handicap, then bring your boat. Following the race, we will have a social and dinner at shelter #10. Dinner will be homemade chili, slaw, cornbread, dessert, and beverages of your choice.

To register and be certain of getting dinner after the race, email Jere Woltz at jerewoltz@att.net by Wednesday, October 19th and let him know if you

are going to participate. Give him your name, the class of boat you will sail, and the number of people for dinner. If you can't decide by October 19th if there will be a better offer for dinner, then you can show-up for the competitors' meeting at 12 noon. The race starts at 1:00 pm.

This is a howling good event for the entire family as well as guests to prepare for ghosts, goblins, and things that go bump in the night.

October Race Series Report

LYC hosted the Tanker fleet for its state regatta on October 1 with 10 boats taking to the water. Longtime Tanker skippers Herb Bodman and Peter Thorn along with fleet newcomer George Bageant represented LYC. Due to distressingly little wind, the action was slow on the windward-leeward course, but competition was fierce. Bill Grossie PRO for the regatta managed to set a short course and get two races in for the day. Peter Thorn placed third overall and did a fine job of representing the club.

In other fleets, on Saturday, five Isotopes took to the water; Alan Wolfe won both races with David Duff and Eric Rasmussen taking turns for second place. The Flying Scot fleet had 5 boats on the water with David Young taking first place in the first race, and newcomer Wayne Jones taking first place in the second race. Congratulations to Wayne on his first win of the season.

Thanks goes to Bill for serving as PRO and to Bob Gates, Allan Hawkes, Randy Crum, Rudy Cordon, Debbie Stephenson for serving on the race committee. Due to your generosity, others were able to enjoy a great day on the water.

Lake Townsend Yacht Club Help Lines

Call People. Go Sailing.

In an effort to involve more sailors in the Club's Sailing Events and Racing Programs, this "Available to Crew" list is published in each newsletter. The people listed have taken our Learn to Sail class or have other previous sailing experience and are looking to get more time on the water. So, if you have a boat and would like to participate in the Summer or Frostbite Race Series, why don't you call one of these folks for your crew? Alternatively, if you need a cruising partner on your boat or would like to team with someone on one of the city sailboats for a day sail or a race, contact someone on this list. If you would like to add your name to the list, contact John Hemphill, Treasurer or Bill Grossie, Newsletter Committee (See the Help Lines box located in this newsletter).
