Hello Flying Scot Carolinas District Sailors!

Mayor's Cup Recap

We had 14 Scots among the 50 or so boats on Lake Townsend last weekend. The weather turned out better than forecast in every respect, more wind than expected and none of the rain. On Saturday we ran three windward-leeward races in shifty, spotty winds, with Don Smith and Chris Kicinski of Lake Norman Yacht Club outsmarting the shifts to win two and Ray Merrill of Carolina Sailing Club with his light wind speed winning one.

Sunday was absolutely booming with winds in the 10 to 20 mph range. We had a nice, long, two lap windward-leeward followed by an Olympic course, both featuring screaming, side-by-side planing under spinnaker. Chris Herman and his son Gabriel won both on their home lake.

Although they never won a race, Tom Bews and Nick Huffeldt switched skipper/crew roles and took consistent seconds and thirds to win the regatta. Don Smith and Chris Kicinski finished second, my son Silas and I finished third, Ray Merrill and his young crew Alex White fourth, and Chris and Gabriel fifth.

Two regattas down, five to go. Seven boats raced both Great 48 and Mayor's cup and so are half way to the four races needed to qualify. Of those seven boats, I am at the top of the leaderboard, with Steven Jones and Chris Herman, both of Lake Townsend Yacht Club, close behind.

Your Carolinas District Governor,

Charlie Buckner

FS 5971

May Race Report

Hi All -

I have finally tamed the hydra at work and now have time to send out the scores!

Saturday the 14th was a pretty windy day - the recorded wind average for the races was around 18 mph. There were 13 boats that sailed in the first race and 7 in the last. Boats retired whether from broken parts, fear of broken boat parts or fear of broken people parts.

If I had a better camera I could have caught the splendiddness of seeing the club Wayfarer with spinnaker unfurled planing downwind. 2nd, 3rd and 4th place were tied or very close. Fantastic job Luke, Nick and visitor Gary. Though Tom and Robert Bouknight were hard to beat in first.

Sunday there were about 4 boats that went out for a good scream up the lake in a great breeze. Not enough boats to race, but plenty of excitement. Sunday is on the calendar as a social sail, but don't be fooled it is really a race day. No telling what Tom will come up with for his Sunday race in July. I am planning a "predicted log race" in August. There are Sunday prizes at the social! September's Sunday race is the finale for **Women on the Water**.

Plenty of activity coming up - come out and encourage the people that are interested in sailing, might be some potential racing competition there. There are the sailing lessons, share your enthusiasm for racing, by teaching even for a day or two. Alan says there are lots of opportunities.

~See you on the water.

Brad Earle & Logan Hayes

A Note from New Member Priyesh Narsale

Dear David (and Joleen),

I wanted to thank you and the RC team for the opportunity to participate during the Mayor's Cup on Sat. It was pleasure meeting you, Stephanie, Peter, Bob and Jack and several others (Linda, Frank, Scott, Nancy, Uwe, Hudson, Otto).

I enjoyed being on the Race Committee and getting my first lessons in the activities involved. I hope I was not too much distraction for the committee and somewhat of a help.

I am already looking into the scratch sheet and considering participating on RC for July 9th or 10th (based on what work and family schedule allows.) As soon as I can confirm, I will sign-up on scratch sheet and let you know.

Also, as I was not able to meet with Wanda, could you please pass on my thanks to her for the lunch on Sat. It was very thoughtful of her and certainly very helpful.

For now, I am secretly hoping for at least one cancellation for the Beginner's class this weekend and see if I can get in. I will reach out to Otto to check again. Else, will patiently await July 16-17.

David, thanks again for letting me drop my first anchor. It is a special memory and looking forward to many more...

I have attached some pictures I took on Sat.

See you soon.

Kind Regards,

Priyesh

Thanks to our Race Committee and all our Helpers!

News from Our Intrepid Member Matt Stalnaker

In LTYC non-sailing news, I missed the Mayor's cup because I was training for the James River Run-down 140-mile race that took place this past weekend. My goal was under 24 hours. I completed it in 22:57, which was good enough for third. The tension of time sailing vs kayaking continues - but at least LTYC members are taking home hardware. Maybe someday I'll be good a good enough sailor to actually sail in an adventure race.

The race did allow me to spend quite a bit of time with a few folks who sail out of St. Petersburg, FL yacht club and am hoping to go down there and work on keel boat sailing with them in the future.

Matt

The First Sailing Class of 2016

Many thanks to all of you who put effort into the successful completion of the first 2016 adult sailing class. We had a few anxious moments but we made it all work and brought everyone home safely. This is truly a team event. I am glad that each of you spoke up often and provided your own perspective and instruction to the class. Post class comments were positive with at least two folks considering taking Intermediate lessons. Fair Winds, Jim Heffernan

Photos by Otto Afanador

2016 Let's Go Sailing Recap

We had a lovely community sailing event on May 28th!

30 members and 65 guests enjoyed a light air day at the lake.

Almost half of our guests were in the under 12 age group, with a small dusting of teens.

Most of our guests had never been to Lake Townsend before!

Everyone had a ball and were thrilled to have the opportunity to be sailing.

One young lady, about 4, was quite put out that she had to come back to shore. She kept trying to get back to the boat!

Thank you to the members who volunteered their time on shore and on the water to promote sailing in Greensboro.

I want to be sure we acknowledge all those who helped:

Skippers:

Steve Raper

Adopt-A-Boat Program

by David Duff, Commodore

LTYC will once again host the Tanzer 16 Nationals competition this September 17th & 18th. What you may not realize is that our club has a fleet of six Tanzer 16s ready for sailing. If you would like to compete in this event, you've got about three months to practice and get to know the boat. Specifically, if you would like to get to know a particular Tanzer, we're inviting you to participate in what we are calling "Adopt a Boat". Our vision for this program is for an individual club member to take some ownership for the upfitting, tuning and "nice to haves" of "your" boat in return for the first right of usage at club events between now and the Nationals and, of course, use of "your" boat at the Nationals. Needless to say, club usage is not restricted to racing events; these boats can also be used at the monthly social sailing events and, after 3 events, outside of regularly scheduled events. There will be plenty of time for you to hone your boat and your skills.

For those who feel they do not have the necessary skills, the Equipment Committee will offer assistance.

If you would like to participate in this program, use the 2016 Club Boat Usage scratch sheet (under Participation Scratch Sheet on the home page) to reserve your dates and make a notation in the notes. See the club boat usage policy for more details. The club is not financially prepared to purchase new sails or major equipment for these boats (but would welcome donations!) Expenditures for desirable repairs and upgrades should be discussed with our Equipment Committee Chair (Scott Bogue). The hope is that this program will inspire members to 1) defend our club's honor at the Nationals; 2) get involved with improving the fleet; and 3) use these available Tanzer 16s on a regular basis for both pleasure and competition, especially if they do not own a boat.

Wayfarer for Sale — Price Reduced

1961 Mark I Wooden Wayfarer, #276 Epiphany

1961 Wooden Wayfarer, Mark I #276 “Epiphany”

This boat was made from a kit to class specifications by Wally Cavill in 1961. It is hunter green with double pinstripe. Hull, deck and interior are in good shape, having been restored in 2012 and consistently maintained since then. It has a gold colored Proctor mast with spinnaker, jib and main halyards inside. The boat is fully rigged for spinnaker use. The McNamara racing main, jib and spinnaker sails are 3 years old, and in good shape. Storm jib and cruising sail with 2 sets of reefing points are included. Centerboard, rudder, tiller, tiller extension and spinnaker pole, all blocks and cleats, all sheets and halyards are in excellent condition. A compass is mounted behind thwart. It has a ratchet block for the main sheet. A jib furler is on the bow, a very useful addition. Also included are aft bench seats.

A Pamco tilt trailer with 12 inch wheels and spare tire is included. Has new wheel bearings, seals and bearing buddies. Boat cover is 3 years old, in excellent shape for mast up or down storage. Epiphany is ready to race or cruise!

\$4900 Contact AnnMarie Covington at 336-266-5919 or hobieone57 at yahoo.com for more pictures or information.

6/16

Tanzer for Sale

For sale: Tanzer 16. This is a good boat with a good racing record. Sails are in decent shape. Two spinakers. New Sailor's Tailor cover. Solid trailer. Selling because I need more room for family and guests to cruise the lake. A good buy at \$2,000. Call JC Aller at [\(336\)580-0528](tel:336580-0528) or email at aller.jc@gmail.com.

4/16

Flying Scot for Sale

For sale. Flying Scot built 1983 # 3915. Tee Nee trailer in nice condition. Recently upfitted, race ready boat. Remarkable condition for boat of this vintage. Offered to club members first. Call Wendell. [336 209 2736](tel:3362092736). \$6500
