HOT 6 Recap

It takes a lot of teamwork to get a regatta together, as those of you who've done one know very well. But it's not all hard work. HOT 6 was also fun, rewarding, and fulfilling, thanks to the help of many.

It also takes a lot of brainstorming to figure out what will sell in our auctions. Many thanks to Wayfarer Fleet 15 for their creative ideas for the auction. This year we had an abundance of wonderful homemade items and services that sold very well!

The sailing weather wasn't bad on Saturday, but Sunday was a different story. Those intrepid sailors who ventured out in the cold, dreary weather on Sunday were rewarded with some great sailing winds. Unfortunately, as they came in to put their boats away, the sky opened up. Not a single complaint was heard. Thankfully there was hot coffee waiting to warm them up.

HOT 6 raised about \$5,000 this year, for a total of \$38,000 since the first HOT. As you know, our HOT Charity Regattas raise money for Earlier.org. Earlier.org funds grants for researchers who are specifically working on finding an earlier test to detect breast cancer, in an effort to eradicate the need for invasive surgery and chemo. Each grant is \$40,000. We need approximately \$2,000 more to get to that number, then we'll have a grant named in our honor. Wouldn't that be an awesome achievement?

If 50 members or guests donate \$40 each, we can make it!

Donations can still be made online at: <https://earlierorg.salsalabs.org/hotregatta/index.html>. This link will remain open until Dec. 31. Please help us reach our goal this year!

And please support the companies and individuals who supported our event this year. Many of these people and companies have donated to all of the HOT Charity Regattas. They include [Little River Sail and Canvas](#) - Eric Rasmussen, who donated the awards for HOT 6 on a last minute notice - thanks, Eric! Also, [Panera Bread](#) and [Jersey Mike's Subs](#) (both in the North Elm Village), [Texas Road House](#) on Battleground Ave., [Subway](#) on Hicone Rd., [Stamey's Barbeque](#) on Battleground Ave., [Lowe's Foods](#), and [Havana Phil's Cigars](#) on Battleground Ave. (do yourself a favor and check out this store, it's very cool!) Thanks to [Annapolis Performance Sailing](#), [Zim Sailing](#), and [Mount Gay Rum](#), and to [Grandpa's Marine](#) for kindly loaning us a new pontoon to watch the racing. Thanks also to [All Pets Considered](#) on Battleground Ave. and [Spraggs Wags Pet Sitting](#) service.

Donations from our members included a Mountain Chalet 3 night stay donated by John Hemphill (for the second year in a row!), two 3 hour sailing/mentoring sessions with AnnMarie Covington, a 2 hour sailing/mentoring session with Jim Heffernan, and a 1 hour tennis lesson obtained by Phillip Howard.

A very imaginative and popular donation was given by Robert Bouknight, which was a multi-lap session in his race-prepared Porsche 911 at Virginia International Raceway. He donated two sessions, but actually sold three!

Michele Parish was thinking outside the box by donating a wooden toilet seat with a custom Wayfarer W on the lid! Michelle also obtained a night's stay at the Oriental Motel and Marina, with the second night at she and Richard Johnson's house in Oriental.

Nancy Collins made and donated a beautiful stained glass sailing scene as well as hand-made purses of various sizes. Uwe Heine donated three wonderfully hand-painted coffee mugs with various sailing scenarios - one being the "Auto-Tack"! If you missed it last year, Uncle Al bought the

“Death Roll” mug. (I don't think he'd sell it for any amount!) All of these are definitely collector's items.

Besides her donation of two sailing/mentoring sessions, AnnMarie Covington donated a hand-made, beautiful cutting board. She is multi-talented!

A big thank you to Tom Bews for being our auctioneer extraordinaire, as well as for his donation of two \$80 massage certificates. Tom also added to the fun and ambiance by bringing a corn hole game and putting two eye-catching giant spinnakers in the trees by Shelter 10. Thanks also to Ali Kishbaugh for helping with the auction.

Phil and Cathy Leonard helped tremendously. If you ever need someone to pick up and organize stuff for your event, Phil and Cathy are the best. Phil had everything he bought at Costco organized and in various coolers, ready to go. Neither sailed on Saturday; instead, Cathy stayed at Shelter 10 and organized the raffle, auction, and silent auction and set up beautiful table decorations with little battery-operated candles on each table. Phil served on RC. On Sunday, both Cathy and Phil served on RC - a tough job in such inclement weather. I was hoping they'd race, but their “call to duty” prevailed! “Thank you” just doesn't seem like enough.

Last, but certainly not least, thanks to my wonderful husband, who did the entire October newsletter. He also took on the job of writing and designing the auction item descriptions.

I sincerely hope that no one was left off this list. If you were, please know that I appreciate what you did or contributed and thank you for your efforts and help. I am overcome with appreciation for everything so many have done to make HOT 6 a success.

Thank you!

The best way to get a crew spot is to sign up on the racing scratch sheet under “Available to Crew.” Go to www.laketownsendyachtclub.com, click on Scratch Sheet: Participation Signup. Scroll down to the bottom of the page and select the tab for your chosen race day (you may have to use the left and right arrows). You can also come out to the lake on race day; many times skippers will be looking for crew.

Let's Go Sailing!

A lighthouse with a black and white diamond-patterned tower stands on a rocky island. The background is a map of North Carolina, with the word 'CAROLINA' visible. The lighthouse has a lantern room at the top.

As winter approaches, it's easy to think that for sailors, the fun is over until Spring. Not so!

- * There's racing in the Frostbite Series, followed by fun, food, and drink at the shelter.
- * On race days when the weather doesn't cooperate, come to a seminar at the Classroom at the lake.
- * Not a racer? Come serve on Race Committee. It's fun, and you get to hang out with other sailors.
- * There's time to read over the Rules of Racing, or perhaps one of several good books on sailing, whether it's racing or cruising.
- * You can tend to those repairs and upfits you couldn't get to before.
- * And don't miss the Change of Watch!

LTYC Is Going Green!

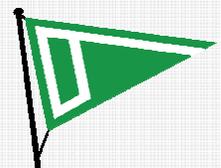

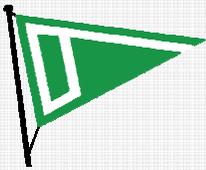

Our goal is no more plastic water bottles or Styro-foam cups in the landfill. Did you know that only about 9% of what we recycle is actually recycled?

We encourage everyone to bring a reusable water bottle and coffee cup to events at the lake. If you have extra reusable coffee mugs or water bottles, please bring them to our races and social events. Thanks!
